Freeze Dried Diced Chicken Breast

NuManna’s new Freeze Dried Diced Chicken Breast is 36 servings of nutritional, quality food, that provides you and your family the protein a body needs. Supplement any NuManna meal with this tasty, diced chicken. And you can enjoy eating it today or years from now.

A great and healthy source of protein, over 25 grams per serving. By adding our diced chicken to NuManna easy fix meals, you can serve up complete meals to your family.

PRICE $189.99
Freeze Dried Seasoned Hamburger

NuManna’s Freeze Dried Seasoned Hamburger is 36 servings of USDA premium beef. Each serving is 25 grams of protein and an additional 115 calories. This is a great way to fuel your body in times of duress. Do not get caught with low energy when disaster strikes.

NuManna meat buckets are the healthiest way to get protein into your food storage program. Easy to prepare in minutes, and delivers you and your family the protein your body needs.

Throw a couple servings into our chili, our soups, or our pasta dishes and add calories, protein and great taste to any NuManna meal. Whether you are preparing for an emergency or just need something easy for dinner tonight, grab some NuManna Freeze Dried Seasoned Hamburger today.

PRICE $189.99
No Gluten Starter Pack

The No-Gluten Starter Pack is the perfect way to do just that…start your long-term food storage. It brings peace of mind for any short-term emergency while serving as a building block for your long-term food storage. It is perfect regardless of whether you can or can’t eat gluten. With all of NuManna’s meals, you get exceptional tasting food with real nutrition. And you can enjoy eating it today or years from now. This is the best money can buy.

This Plan includes one:(1) NuManna No-Gluten Family Pack, one (1) 6-Pack of Hormone Free Milk Powder, and one (1) Diced Chicken Bucket.

PRICE $529.75
No Gluten Survival Kit

This No-Gluten Kit is great for the unexpected short-term emergency. And perfect for anyone, whether you can or can’t eat gluten. Not only will this great Kit sustain you, it does so with exceptional tasting meals with real nutrition. You can enjoy eating it today or years from now. This is the best money can buy.

This Kit includes: three (3) No-Gluten Family Packs, one (1) 6-Pack of Hormone Free Milk Powder Pouches, one (1) Diced Chicken Bucket, and one (1) Ground Beef Bucket.

Plus, you get another 72 servings in necessary protein with your chicken and beef buckets. The 240 servings of Hormone Free Milk Powder keeps for at least 10 years and tastes great.

Independently Certified - GMO Free Verified - Soy Free - No added MSG - No Aspartame - No High Fructose Corn Syrup

PRICE $1,150.75
The Survival Pack is 85 days of meals at 1500 calories a day. This works out to less than $5.00 a meal.

We are once again offering the highest quality food storage we can find. We went to NuManna because they offer the best tasting and most nutritious food storage available anywhere. We liked what they had to offer but like all other food storage their buckets did not have the protein that we felt is essential in times of duress.

This is a great starter kit for your preparation planning.

Independently Certified - GMO Free Verified meals, Soy Free – GMO Free – No added MSG – No Aspartame – No High Fructose Corn Syrup

PRICE $1,250.75
The Defender Nutritive Pack comes with 126 servings of GMO-Free, Easy-To-Fix meals. But, what sets this store apart from the rest is the addition of 74 servings of Organic Grains and “Super Foods”. You can supercharge any meal with any of the grains/super foods. In times of heightened stress the body needs EXTRA nutrition. Plus, you get another 36 servings in necessary protein with your chicken bucket. The 240 servings of Hormone Free Milk Powder keeps for at least 10 years and tastes great.

This Plan includes: one (1) NuManna Defender Pack, one (1) 6-Pack of Hormone Free Milk Powder, and one (1) Diced Chicken Bucket.
No Gluten 2 Person 6 Month

- Black bean soup (1 x 10 servings)
- Cheesy potato soup (1 x 10 servings)
- Oatmeal (1 x 10 servings)

PRICE $279.75
Power Iodine

Power Iodine is the highest-quality, most absorbable product of its kind on the market. Plant-derived, gently processed iodine is harvested and charged, creating nascent iodine. This is then suspended in a GMO-free solution, which is highly absorbable and is the most bio-active form.

Product Description

- Nascent formula ensures maximum absorption, for maximum benefit.
- Helps protects your thyroid gland from radioactive cesium, found in nuclear reactors.
- Power Iodine is easy to store and is properly packaged to last.
- Please consult with your doctor or healthcare provider before taking Power Iodine.
- Use Power Iodine to purify water, heal wounds, and restore your body’s iodine levels.

PRICE $31.95

Replacement ProMax™ Countertop Filter

The Propur™ countertop water-filter system with ProMax™ filter technology fits most standard faucets that use a removable aerator. Installs in minutes without any tools. Enjoy Propurified™ water by just turning on your faucet and diverter valve. ProMaxTM’s high-efficiency, encapsulated, multi-stage water filter reduces or removes a broad range of 200+ contaminants.

Product Description

- Removes or reduces VOC’s, lead, fluoride, heavy metals, pesticides, SVC’s, disinfectants, inorganic non-metals, herbicides, pharmaceuticals, PFOA, PFOS and micro-organisms.
- Engineered for unsurpassed performance and maximum contaminant reduction.
- Helps improve water’s taste and odor. Contains no resins or beads.
- Tested to NSF-42, 53, and P231 standards. See ProMaxTM Lab Reports for details.
- ProMaxTM filters don't require cleaning to maintain flow rate and contaminant reduction.

PRICE $79.95
DuraFlo™ Water Filter Replacement

The DuraFlo™ water-filter replacement works with any candlestick-style water filter, such as Katadyn®, Aqua Pur®, Doulton®, Berkey®, and many other brands of water filters.
